AUDIO SOLUTIONS 

DELIVER AUDIO TO ANY ROOM IN YOUR HOME

Clipsal Audio Solutions is an exciting new Audio Distribution system for quality sound in multiple rooms. It is perfect for providing background music for your outdoor entertainment area, kitchen/dining room, bathroom and the bedrooms.

ENTERTAINMENT NETWORKING 

SMART WIRING FOR THE HOME

Clipsal StarServe® allows you to watch a video, TV, DVD or Pay TV from any room without the need for separate appliances. You can even control the devices in the entertainment area from the bedroom.

COMPUTER NETWORKING 

FAST, RELIABLE, & EASY TO MANAGE

Clipsal StarServe® gives you the flexibility to distribute broadband connections to multiple rooms at the same time. You can also distribute telephone and fax, network computers for gaming, along with sharing printers and scanners.
