The image displays a collection of CLIPSAL decorative garden lighting. On the left, three stainless steel garden light kits are shown, labeled 1, 2, and 3. Kit 1 is a tall, slender spike with a clear lens. Kit 2 is a shorter, wider spike with a clear lens. Kit 3 is a wider, shorter spike with a clear lens and a stainless steel top cap. To the right, two stainless steel pond lights are shown, labeled 4 and 5. Light 4 is a smaller, round light with a clear lens. Light 5 is a larger, round light with a clear lens and a stainless steel top cap. Below the product images is a photograph of a modern house at night, illuminated by the garden lights. The house has large windows and a balcony. The garden lights are installed in the garden and on the steps leading to the house.
