The advertisement features a dark blue header with the 'CLIPSAL LIVING ELECTRICAL' logo and 'MOTION SENSOR' badge. Below this, the 'INFRASCAN PASSIVE INFRARED SENSOR' title is prominently displayed. The main visual is a photograph of a white outdoor sensor unit (750 Series) mounted on a wall, with yellow sensor beams radiating from its lens. To the left, smaller images show the 751 Series indoor sensor and the 753 Series 360-degree sensor. Text at the bottom promotes 'Automatic Light Switches' and 'Automatic Indoor Light Switches' with the tagline 'Setting the future in motion'. A footer contains the 'ELECTRICAL ACCESSORIES' category and the website 'clipsal.com'.
