

WEATHERSHIELD: MDF DISPLAY PANEL

Weathershield

CLIPSAL
LIVING ELECTRICAL

Brilliant wet weather performance

In wineries, in industry, on exterior walls, illuminated signs or around swimming pools, anywhere switchgear needs protection from water, Clipsal's Weathershield® do the job beautifully. A seriously tough product, Weathershield® is impact, corrosion and chemical resistant and UV protected. Having undergone a recent redesign the range now also features a stylish new look and is available in a great range of colours.
